Know an Exceptional Jefferson College Grad? Deadline for Alumnus of the Year Award is Feb. 16

The Jefferson College Faculty Senate is seeking nominations for the 2018 Alumnus of the Year Award.

The nomination deadline is Friday, February 16. A submission form is available on the Jefferson College website at jeffco.edu by clicking on Community Outreach>Jefferson College information>Alumnus of the Year links.

Nominees must meet four criteria:

- A person who graduated from Jefferson College with a certificate or associate degree;
- Someone who has achieved distinction in his/her chosen field of employment;
- Someone who has been involved in community service; and
- A person not presently a trustee or an employee of Jefferson College.

Nominees will receive a questionnaire so they can provide information about how they meet the criteria. A faculty committee will review the answers and make a final selection.

The Faculty Senate established the award in 1995. The honoree will receive a plaque at the annual Jefferson College Honors and Recognition Banquet in addition to having a biographical feature in the 2018 Commencement program.

Past recipients include Marcella Weaver, Shirley Scarbrough, Tim Gray, Joan Murphy, Jeff Elbl, Chuck Martin, Todd Oetting, Vera McCullough, Matt Brown, Shawn Bell, Ann Gettinger, Jane Brunk Kost, Dr. Elmer E. Revelle, Regina Herrington, Rick Francis, William Overstreet, Lena Hutson, Andrew Held, Bill Haggard, Jane Houser, Edward Moreno, and Nancy Nelson.

For more information about the Faculty Senate Outstanding Alumnus of the Year nomination process, contact English Professor Susan Todd at (636) 481-3347 or email stodd@jeffco.edu.

IT'S NOT TOO LATE TO START!

**8 WEEK
CLASSES BEGIN MARCH 13**

Never Too Late for a Great Education - Late Start Classes Begin March 13

Jefferson College wants prospective students to know that there is still time to enroll, whether as a first-time student or as a continuing student.

Registration for the 2018 Spring semester is still in progress for over 40 late start classes in a variety of subject areas. Prospective students are encouraged to register soon for these second eight-week courses, set to begin March 13.

The second eight-week classes are offered in a variety of subject areas including Automotive Technology, Biology, Business, College Studies, Communication, Computer Integrated Manufacturing, Computer Information Systems, Criminal Justice, Economics, English, Health Information Technology, Health/Physical Education, Heating/Refrigeration/Air Conditioning, History, Music, Paramedic, Philosophy, Political Science, Practical Nursing Education, Psychology, Registered Nursing, Social Work, and Welding. Some classes may have pre-requisite requirements or selective admissions.

The dynamic class schedule can be accessed online at jeffco.edu/classschedule. Not all classes are available at all locations.

To make attending college more affordable, prospective students may submit an online application for admission for free via the Jefferson College website at jeffco.edu/apply.

For more information about all of Jefferson College's programs, admissions, and registration, contact Enrollment Services at (636) 481-3209. The main campus in Hillsboro is located at 1000 Viking Drive and Jefferson College Arnold is located at 1687 Missouri State Road (behind the Jefferson County Library Arnold Branch and the Arnold Recreation Center).

Residents can also pursue a bachelor's degree on campus through Jefferson College's cooperative partnerships with Missouri Baptist University, the University of Missouri-St. Louis, and Central Methodist University.

PTK Honor Society Chapter Welcomes New Members

The Jefferson College Xi Zeta chapter of Phi Theta Kappa international honor society recently hosted its fall induction ceremony, honoring 32 outstanding students who met the qualifications for membership. To be considered for membership, students must have a grade point average of 3.5 or higher on a 4.0 scale.

The mission of Phi Theta Kappa is to recognize academic achievement of college students and to provide opportunities for them to grow as scholars and leaders. The society is based on the hallmarks of scholarship, leadership, service, and fellowship.

The Xi Zeta chapter was established at Jefferson College in 1965 and has received numerous regional and international awards. Chapter advisors are English Instructor Dr. Matthew Vaughn and Instructional Support Specialist Karen Hester. Jefferson College's Xi Zeta chapter was named a 2017 REACH Chapter in recognition of its excellence in membership development.

Law Enforcement Academy Graduates Meet Critical Need for Qualified Officers

After completing a vigorous and comprehensive curriculum filled with numerous tactical exercises using the latest instructional technology, a class of 13 students (024 Night Class) recently graduated from the Jefferson College Law Enforcement Academy in Imperial, helping to fill the ongoing need for qualified officers in Missouri.

The 024 class also achieved a 100 percent completion pass rate on the POST (Peace Officer Standards and Training) license exam, continuing the lengthy streak of graduating classes from Jefferson College with a 100 percent pass rate for the POST Class A license.

The JCLEA offers three options for students seeking a Missouri Department of Public Safety POST Class A License and is the only academy in the state that incorporates the curriculum for an Associate of Applied Science Degree in Criminal Justice in two of its three programs as a way to distinguish graduates when they enter the job market. The third program, a POST curriculum only option, offers a Certificate in Criminal Justice and is limited to applicants who already have a two or four-year degree.

In addition to the basic training for students entering the field, the Academy goal includes providing high quality training to law enforcement personnel, to inspire professionalism in all peace officers, and to provide civilian personnel with education and training prior to employment or association with a law enforcement agency.

For more information about the Jefferson College Law Enforcement Academy and application deadlines, call (636) 481-3425.

Occupational Therapy Assistant Graduate Pinning Ceremony Celebrates Student Success

A class of 12 students from the Jefferson College Occupational Therapy Assistant (OTA) program recently participated in a pinning ceremony representing their completion of the nationally accredited two-year health occupations program.

The OTA program results in an Associate of Applied Science Degree consisting of 14-16 credit hours of prerequisite courses, 19 credit hours of general education courses, and 49 credit hours of OTA classroom instruction, labs, and fieldwork practicum. Classes are offered at the Hillsboro campus and online.

Jefferson College OTA graduates are employed in many of the area's hospitals and care facilities.

For more information about the OTA program and admission requirements, visit www.jeffco.edu/OTA or call Enrollment Services at (636) 481-3209.

2017 RN Nursing Program Grads Achieve Success After Being Displaced From ITT

A group of nine Jefferson College students from across the area who began their education at ITT Technical Institute after being displaced when the school was forced to close suddenly in 2016, were recently “pinned” in a special ceremony marking their completion of the Registered Nursing (RN) program.

In response to Jefferson College's pioneering approach in helping the displaced ITT students complete their degree, the College was recognized on a national level for its academic and support excellence. Among the many accolades and recognitions received by the College,

Nursing program personnel participated in a webinar by the National Council of State Boards of Nursing to share with other states and a newsletter article by Bibi Schultz, Missouri State Board of Nursing Director of Education, stated, “Jefferson College is highly recognized for their innovative, timely approach...the U.S Department of Education as well as the National Council of State Boards of Nursing has deemed the Jefferson College Model as a best practice in nursing education.”

In Jefferson College’s bi-level program, those who complete one year of training receive a career education certificate and may become a licensed practical nurse (LPN) after successfully completing the state board examination. Students who complete the second year of the program receive an Associate of Applied Science degree and are eligible to take the state licensing exam for registered nurses.

Both of the Jefferson College Level I/PN and Level II/RN programs have full approval from the Missouri State Board of Nursing (MSBN). For more information about the Jefferson College Nursing program and admission requirements, visit www.jeffco.edu/nursing.

Nursing Program PN Graduates - Pinning Ceremony Marks Completion and Success

After a successfully finishing a comprehensive and challenging curriculum, a group of 22 Jefferson College students from across the area recently were “pinned” in a ceremony marking their completion of the Practical Nursing (PN) portion of the Nursing program.

Jefferson College’s longstanding Nursing education program has undergone a revitalization through the creation of a NEST (Nursing Education Simulation Technology) lab, revamped curriculum, an emphasis on skills development and academic needs of students, and the leadership of highly qualified faculty who are working together to bring a wide range of professional experiences to the classroom.

The program focuses on relevant, industry-focused curriculum; tremendous clinical practicum experiences at sites throughout the region; state-of-the-art patient simulation labs; and individualized academic and personal support services. The program also offers flexible advancement from PN to RN to BSN thanks to Jefferson College’s educational partnership with Central Methodist University.

Welcome to Jefferson: Chatman Selected as New Women's and Men's Head Soccer Coach

Following a comprehensive national search, Brocklon Chatman, head men's coach/assistant women's coach at Louisiana State University-Alexandria for the past three years, was recently named the new Women's and Men's Head Soccer Coach at Jefferson College.

He was chosen from a field of over 45 applicants and follows Interim Co-Head Coaches Bob Bartolone and Alex Ochoa who served this past year with a 10-7 record.

“As the excitement of expanding Jefferson College’s Soccer program moves forward with the formation of our first-ever women’s team, I am extremely proud to introduce Brocklon as our new Men’s and Women’s Soccer Coach,” said Director of Athletics Greg McVey. “He will continue the longstanding tradition of excellence that Viking Athletics represents in our region to ensure the Jefferson College is providing the best possible experience for our student-athletes in competition, in the classroom, and in the community.”

Chatman holds both a Master of Science degree in Sport Management as well as a Bachelor of Professional Studies degree in General Studies and Learning with a concentration in Elementary Education from Missouri Baptist University. He also earned a National “C” License from the United States Soccer Federation.

In 2016, Chatman led the LSUA Generals with a school record 11 wins, including the program’s first ever RRAC Championship and the university’s first ever trip to the NAIA National Championship Tournament. He has established a record of recruiting quality student-athletes, including over 11 All-Conference, nine All-Tournament, and 30 Academic All-Conference student-athletes.

Before moving to LSUA, he served as an assistant coach for the St. Louis Lions in the United Soccer League’s professional development league, helping the Lions reach just their second playoff appearance since he was one of the team’s players in 2006.

Chatman got his start in coaching at his collegiate alma mater, Missouri Baptist University, serving as a graduate assistant, specializing with the training program for both the Spartans men’s and women’s soccer teams. During that same time, he also served as Club Coach and Age Group Coordinator for the St. Louis Scott Gallagher Soccer Club, coaching four teams and more than 50 players while recruiting young, new talent.

Chatman and his wife, Angela, have two daughters, Olivia, and Nola.

Jefferson College FOUNDATION

Fox 2/News 11 Anchor Dan Gray to Emcee Jefferson College Foundation Jazz & Jeans Event April 14

To raise funds to support scholarships, emergency student loans, textbooks, and other projects for disadvantaged Jefferson College students, the Jefferson College Foundation and Gold level (\$5,000) sponsors Dobbs Tire and Auto and Enterprise Bank and Trust will present the annual Jazz & Jeans Dinner, Music and Auction on Saturday, April 14, in the Field House on the Hillsboro campus.

The master of ceremonies for the evening will be Dan Gray from Fox 2 and News 11 with special guest Bob Bennett, Artistic/Operations Director of Jazz St. Louis.

Gray joined the KTVI Fox 2 News team in 2004 and the KPLR News 11 team in 2008. He also does part-time anchoring at KMOX Radio. He has interviewed presidents and celebrities and has covered major events including floods, earthquakes, elections, and papal visits. Dan has won several journalism awards including seven Emmy awards. He received the “Best Anchor” Emmy four times and has been nominated numerous times.

Bennett joined Jazz St. Louis as Director of Operations in June 2000 and has helped Jazz at the Bistro broaden its artistic presentation and worldwide reputation as one of the leading jazz clubs in the United States. In 2004, he helped the organization successfully launch their “All-Star Student Ensemble,” a group featuring the best high school jazz talent in the St. Louis area. Under his direction, the program expanded to feature two ensembles in each of the following two years. With the continued growth of the organization, he is now programming not only the Jazz at the Bistro series, but additional Jazz St. Louis performances at the Touhill Performing Arts Center and other area venues.

Guests are invited to wear jeans and enjoy a relaxed evening. The event will begin with a social hour (open bar) and silent/mobile auction at 5:30 p.m., followed by dinner, musical entertainment by the Jefferson College Jazz Band and special guests, Fund-a-Future presentation, and a special “jazz club” performance by local professionals and alumni.

Jazz & Jeans tickets are available for \$75 per person (tables of 10/\$750) and must be purchased in advance at www.jeffco.edu/foundation. The reservation deadline is April 6.

The Jefferson College Foundation is a separately incorporated 501 (c) (3) nonprofit organization whose mission is to increase resources, to raise funds and to cultivate friends and partnerships to support Jefferson College and its mission.

For more information about tickets, sponsorships or Jazz & Jeans event details, contact info@mydivineevents.com or call (314) 669-5933.
