

Welcome to Campus Dining!

The Dining Services Staff would like to welcome you to Jefferson College.

Jefferson College Dining Hall will provide you with food that is hot, fresh and delicious, served by friendly and welcoming staff.

We are working hard for you to create an inviting and welcoming atmosphere that makes dining with us an exceptional experience. Each dining station offers fresh, delicious and “created just for you” choices. This is dining with an emphasis on freshness and healthy eating. At Jefferson College, our passion for delivering great food and service in a comfortable, welcoming setting shows.

Our dining hall will showcase two separate forms of service, buffet style and quick eats. The buffet style will be for meal plan students and anyone that wants to purchase a buffet. The quick eats section will be for those on the run and will accept Viking Cash that come with a meal plan, cash or credit. Quick Eats will have custom, made to order options along with grab & go selections.

The dining staff are here to make your mealtime an enjoyable and pleasant experience. Please let us know if there something we might do to make your dining experience better. We are eager to please! Staff members will always be available to answer questions and solicit feedback. Please feel free to email us at jeffersoncollege@gwdining.net or stop by the Dining Services Office for any inquiries.

The Dining Hall Quick Eats

Monday - Thursday 7:00 AM to 5:00 PM
 Friday..... 7:00 AM to 1:15 PM

Upload Student ID card and your Profile Picture in the app (Mandatory)

Campus Dining Dollars

John

Middle Name

Deo

john@gmail.com

Note: Use the school's email address used to make the payment for meal plan.

Student ID

Semester

Year

Skip Submit

Enter your student information

Student Barcode in the profile section can now be used for "Tap & Go" and other purchases.

Download **Saavor** app from

- 1 Sign Up
- 2 Provide Your Information
- 3 Enter Group Code: JU4U
- 4 Select User Type

Campus Dining Dollars

5

Activating your Meal Plan Tokens and Points on the App:

- If you select "Student" as your user type, you will need to provide your campus details, such as your university registered email id, semester and student ID number.
- The app will then send an OTP (One-Time Password) to your registered email address for authentication.
- Enter the OTP received to verify your campus details and activate your meal plan balance.

Registration form fields:

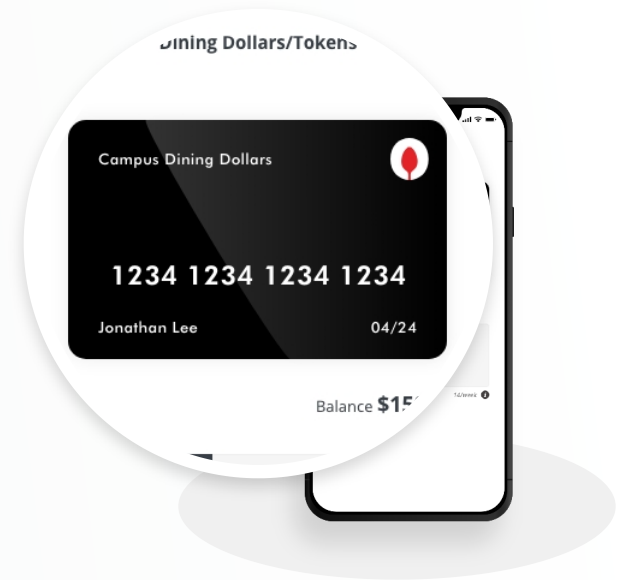

- First Name
- Middle Name
- Last Name
- Email
- Student ID
- Semester
- Year

Buttons: Skip, Submit

Note: *e: Use the school's email address used to m... for meal plan.

6 Create Campus Dining Dollar Virtual Card:

- On successful validation of your campus details via OTP, the app will create a virtual campus dining dollar card linked to your Saavor Account.
- This virtual card will represent your balance. The Tokens/Amount will be deducted from your balance whenever you Scan through the Saavor app.

7

Upload Student ID via the side menu bar

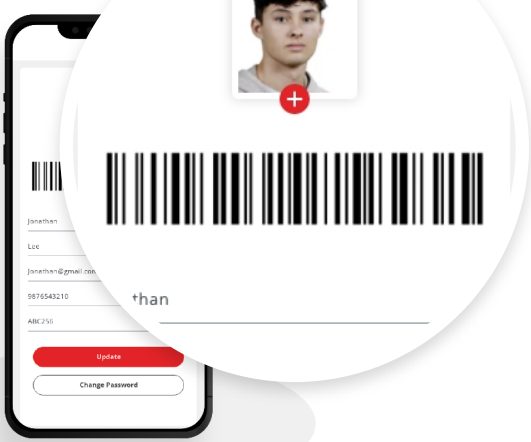

8

Provide Delivery Address (Optional)

9

Select Profile to access your Barcode and Add your picture.

- To update your information or view your student ID barcode, navigate to the profile section via the side menu bar.

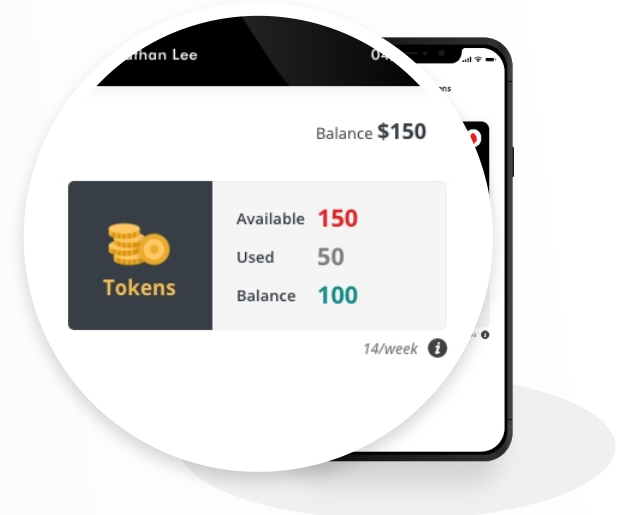

10 Enjoy the "Tap and Go" Experience

- Scan the Student Barcode to get inside the Dining Hall for breakfast, Lunch or dinner.
- The Scan can be used only once per service per day

11 Check your balance by selecting "Campus Dining Dollars"

12 For tech Support email us at contactus@saavor.com

13 Hope you Enjoy the process!

Note:

1. By adding the steps to activate the meal plan balance, we create a virtual campus dining dollar card, and load the amount for orders. This ensures a secure and seamless experience for students, enabling them to enjoy the benefits of their meal plans while conveniently ordering food through the app. Users with other roles will not go through the meal plan activation process, as it is exclusive to students with eligible meal plans.

2. By introducing the "Tap and Go" feature using the student ID barcode, Saavor elevates the user experience for students, providing a quick and contactless way to place orders and access campus dining benefits. This enhancement adds efficiency and convenience to the overall ordering process, making the app even more appealing to student users.
