Before a determination of your financial aid eligibility for the current year can be made, you must complete this form, sign, and submit the requested documents to the Financial Aid Office.

* If you marked NO at any school, indicating that you earned no academic credit, please explain the extenuating circumstances that contributed to your academic deficiencies. Attach documentation to this form that substantiates the circumstances described.

Explain what has changed that will allow you to make satisfactory academic progress at Jefferson College.

Jefferson College’s Financial Aid Appeals Committee will review the submitted materials and determine whether the circumstances of your failure to receive academic credit, as evidenced by your academic records and other documentation, support the continuation of Title IV assistance. If approved for continued eligibility, you may be placed on an academic plan as part of a financial aid probation.

By signing this form, I certify that the information reported is complete and correct. I understand that providing false or misleading information or documents can result in a fine, jail sentence, or both.
