However, it is often the student's wish that information be released to his/her parents, guardians, or other individuals who may seek information from the College.

As parent/guardian, I am aware that in order to be eligible for dual enrollment through Jefferson College, students must meet prerequisite requirements for the course(s) for which they wish to enroll. I am aware that recommended high school GPA for dual enrollment is 3.0 (on a 4.0 scale) and recommended ACT scores for many dual enrollment courses are: *Reading 18, English 18, Math 22*

I am aware of the expectations of college courses; I am giving my student permission to enroll in dual credit/enrollment course(s) and accept responsibility for associated costs. I understand there are deadlines for dropping classes with a refund and for withdrawal from classes. I acknowledge that my student will have full access to college library resources, which may present a broader range of available titles and materials than my student's K-12 school, and unrestricted internet access. My student may use third-party online/electronic resources for educational activities that may require sharing the student's email and account profile.
