After a case of sibling rivalry culminates in civil war, King Creon of Thebes forbids

anyone from burying the traitor who started it in this fresh and vibrant take on an ancient classic. When his niece Antigone, discontent to let her brother go without proper funeral rites, takes matters into her own hands, she sparks a family feud that pits father against son, sister against sister, and civil law against the gods.

Mermaid princess Ariel is fascinated by the world and lives of people on dry land, and longs to someday join them, though her father, King Triton forbids contact. When she falls in love with human Prince Eric from afar, she makes a deal with her father's sister and enemy Ursula: she is temporarily transformed into a human and may remain so if she wins the kiss of true love from

her prince within three days. The dangerous mission leads to a showdown between good and evil forces which only love can remedy.

Jingle Bells

*Dashing through the snow
 In a one horse open sleigh
 O'er the fields we go
 Laughing all the way
 Bells on bob tails ring
 Making spirits bright*

*Oh, what fun it is to laugh and sing
 A sleighing song tonight*

*Oh, jingle bells, jingle bells, jingle all the way
 Oh, what fun it is to ride in a one horse open sleigh!
 Oh, jingle bells, jingle bells, jingle all the way
 Oh, what fun it is to ride in a one horse open sleigh!*
