The action of the play takes place in a cemetery. The inhabitants are dead, but they come back to share with the audience the essence of their previous lives. Each member of the company portrays many characters, some whose stories are interwoven.

*"But once having left,
You can never return,
There's no going back,
There is only the yearn.*

*It haunts you, it hunts you,
Wherever you roam,
Spoon River, Spoon River
Is calling you home."*

There will be a 10 minute intermission between the two acts.
