**2020-2021 Coronavirus Aid, Relief, and Economic Security**  
**(CARES) Act Grant Application**

---

*If you are struggling to continue your education in Fall 2020 due to the pandemic,  
financial assistance may be available.*

2020-2021 CARES Act Student Grants are supported by Jefferson College's Institutional portion of Higher Education Emergency Relief Funds. Requests will be considered on a student-by-student basis until funds are depleted. If funds remain available after Fall 2020, requests for Spring 2021 may be considered. However, these funds are first-come, first-served, and are not available for summer.

If approved for a 2020-2021 CARES Act Student Grant, the amount issued will be based on the recipient's Fall 2020 enrollment level. Less than part-time students (1-5 credit hours) are eligible for \$250, part-time students (6-11 credit hours) are eligible for \$750, and full-time students (12+ credit hours) are eligible for \$1,250.
