PERFORMING ARTS & CULTURAL ENRICHMENT

2024-2025

The Arts are Everywhere...

The Fine Arts Theatre will be dark for 2024-25.

We are renovating!

The Fine Arts building will be under construction for the 2024-25 academic year.

It is an exciting time! We'll have a new lobby with an elevator from the parking lot, bigger and better restrooms, a new rehearsal space for the music department, and a new art gallery!

So much is happening!

But it all means that the Fine Arts Theatre will not be in use during the 2024-2025 academic year.

But don't worry! The Arts Are Everywhere!

Where there is a will, there's a way, and we have found it. All of the choir, jazz, and wind ensemble concerts, theatre productions, art displays, and special events that you have come to know and love in our PACE series are still happening!

We just had to find new locations for everything.

We've left the ghost light on in the Fine Arts Theatre.

This light not only keeps the mischievous spirits away while we're away, but it is also a reminder that no matter what, we'll be back!

Until then, as you can see from the theme of this season:

The Arts are Everywhere...
