MISSION

Jefferson College serves our community by delivering quality learning opportunities that empower individuals to achieve their goals.

VISION

Jefferson College strives to inspire our community to explore, develop, & engage in innovative learning experiences in a supportive & inclusive environment.

VALUES

Jefferson College fosters a culture of excellence for its community of students, faculty, and staff by embracing the following values:

SUCCESS

Supporting a focus on achievement, self-discovery, scholarship, creativity, completion, and skill mastery;

ACCESSIBILITY

Fostering an environment of diversity and inclusion where a culture of collaboration responds to the needs of our communities through quality and affordable educational opportunities;

INTEGRITY

Encouraging open, honest, and respectful communication; committing to accountability in all interactions, operations, and procedures;

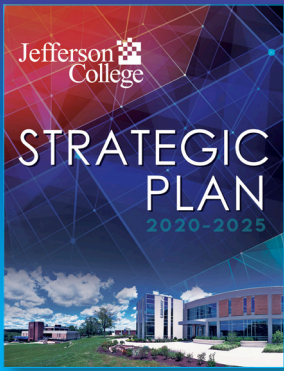

LEARNING

Establishing a high quality learning environment that features collaborative and innovative engagement, academic freedom, professional development, and continuous assessment for improvement; and

SERVICE

Infusing a spirit of civic engagement through community volunteer initiatives, cultural enrichment, and service-learning opportunities.

STRATEGIC PLAN 2020-2025

Guided by the College's Mission, Vision, and Values, strategic planning is a dynamic, collaborative, and continuous process that sets the future direction for the College. The plan contains four strategic priorities that serve as a framework to enable Jefferson College to move toward achievement of the vision by 2025.

- Strategic Priority 1 — Student Success
- Strategic Priority 2 — Instructional Excellence
- Strategic Priority 3 — Operational Excellence
- Strategic Priority 4 — Community Engagement

DEGREES/CERTIFICATES OFFERED

The College offers five associate degrees and several career and technical education certificates.

Associate of Arts (AA) degree – A program of general studies designed for transfer to another college or university as part of a bachelor's degree. Save time and money by starting at Jefferson College!

Associate of Arts in Teaching (AAT) degree – Designed for education majors who plan to transfer to another college or university as part of a bachelor's degree. Those who want to become certified to teach Early Childhood, Elementary, Middle School, or Secondary Education should follow this course of study.

Associate of Science (AS) degree – Designed for engineering, engineering technology, and biological science students to transfer to a university as part of a bachelor's degree.

Associate of Fine Arts (AFA) degree – Designed for transfer to another college or university as part of a bachelor's degree in art or music.

Associate of Applied Science (AAS) degree – Designed for entry-level employment through practical and theoretical courses. Choose from over 20 outstanding programs!

A student may qualify for one AA, AAT, AFA or AS degree. The AAS degree and career and technical education certificates are not limited by prior graduation.

Jefferson College has been continuously accredited by the Higher Learning Commission since 1969. The institution has always received the highest possible length of accreditation.

Under the statewide MOTR Core 42 program, designated Jefferson College courses are guaranteed to transfer seamlessly to any Missouri public 4-year university (and many private universities) to meet general education requirements.
