

Program Graduations Celebrate Excellence of Students and College

Many of Jefferson College's academic programs have recently held ceremonies and celebrations to mark student graduation and academic success, including the Teacher Education, Law Enforcement Academy, EMS-Paramedic, Nursing, Radiologic Technology, Physical Therapist Assistant, Veterinary Technology, and Health Information Technology programs to name a few.

Radiologic Technology Program

The Windjammer proudly salutes all 2019 Jefferson College graduates for making it to the finish line!

Physical Therapist Assistant Program

In Jefferson College's award-winning CTE programs, graduates are prepared for immediate employment after graduation. The College offers over 30 programs. In most, students have the choice of completing either an Associate of Applied Science degree or a Career and Technical Education Certificate.

With the recent statewide emphasis on workforce development and technical training, the College is experiencing a growing demand for its many Career and Technical Education (CTE) programs. As the economy grows, job openings in some fields are becoming so abundant that it is increasingly difficult to keep up with the demand for skilled workers.

According to statistics submitted to the Missouri Department of Higher Education, 95 percent of Jefferson College Career and Technical Education graduates are successfully employed or chose to continue their education within six months after graduating.

Health Information Technology Program

Veterinary Technology Program

EMS-Paramedic Program

Law Enforcement Academy 029 POST Class

Thank You! College Retirees and Employees Recognized for Years of Service

Over 50 Jefferson College employees were recently recognized for their years of service to the College, students and the surrounding community. Each honoree received a token of appreciation signifying their number of years served.

Honorees and their respective years of service include:

2019 Retirees

- Michelle Cobb, Pool Manager – 4 years of service**
- Patty McDaniel, Biology Professor – 14.88 years of service**
- Dora Mitchell, Biology Professor – 26.88 years of service**
- Earl Neal, EMT/Paramedic Associate Professor – 8.9 years of service**
- John Pleimann, English Professor – 23.89 years of service**
- Sharon Roth, Cashier – 15.3 years of service**

30 Years of Service

- Patti Peery, Information Analyst**
- Marie Self, Field House Coordinator**
- Paul Strong, Part-Time Building Services Tech III**

25 Years of Service

- Kathy Kuhlmann, Director of Financial Reporting and Analysis**

20 Years of Service

Michael Booker, *Interim Associate Dean - Communication & Humanities*

“Jefferson College’s excellence can be directly linked to the longevity and faithful service of many of its employees,” said College President Dr. Raymond Cummiskey. The College is fortunate to have dedicated faculty and staff who provide excellent instruction and service to our students and the community we serve.”

The service and retirement awards ceremony was generously underwritten by the Jefferson College Foundation.

Jefferson College Hosts Annual JCGA Legislative Wrap-Up

Jefferson College was once again the host site for the annual Jefferson County Growth Association Legislative Breakfast as Dr. Ray Cummiskey served as the program emcee. The informative and well-attended event provides the opportunity to hear directly from elected state and national officials about legislation that impacts our community and region.

Thanks to the following legislators for participating:

- State Senator Paul Wieland
- State Representative Elaine Gannon
- State Representative Becky Ruth
- State Representative Dan Shaul
- State Representative Mike McGirl
- Jennifer Hoskins (Office of U.S. Senator Roy Blunt)
- Donna Hickman (Office of U.S. Congressman Jason Smith)
- Jim McNichols (Office of U.S. Congressman Blaine Luetkemeyer)

The event was broadcast live on KJFF radio and recorded by JCTV. You can watch the entire program on the [Jefferson College Vimeo page](#). Photos from the event are posted on the [Jefferson College Go Jeffco page on Facebook](#).

GROWTH ASSOCIATION**

Serving Businesses & Encouraging Growth in Jefferson County

Jefferson College Grads Selected to 2019 All-Missouri Academic Team

Jefferson College graduates Sydney Bauer and Sue Crossland were recently named to the 2019 Phi Theta Kappa All-Missouri Community College Academic Second Team, based on their outstanding academic achievements, participation in campus activities, and service to the College and the community. Crossland also received the Missouri

Jefferson College Vice President of Student Services, Dr. Kimberly Harvery (left), congratulates Sydney Bauer as a 2019 Phi Theta Kappa All-Missouri Community College Academic Second Team member.

Community College Association Student Leadership Award.

Sue Crossland (left) is congratulated by Jefferson College President Dr. Raymond Cummsiskey as a 2019 Phi Theta Kappa All-Missouri Community College Academic Second Team member and recipient of the Missouri Community College Association Student Leadership Award.

Phi Theta Kappa, an international academic honor society for community colleges, selects students for the 40-member All-Missouri team. Students are nominated by their campus' PTK adviser and must complete an application. Both Bauer and Crossland were recognized during the statewide PTK and Student Leadership Awards Luncheon held in Columbia.

Missouri was the first state in the nation to honor outstanding Phi Theta Kappa scholar-leaders with a state academic team program. The tradition began in 1994, and today 36 other states have adopted the idea.

Automotive Technology Student Wins Breaking Traditions Award

Jefferson College student Kayla Christian recently received the 2019 Breaking Traditions Award for her success as a nontraditional student in the College's popular Automotive Technology program.

The Breaking Traditions awards, sponsored by the Department of Elementary and Secondary Education (DESE), provides an opportunity to receive recognition and statewide acknowledgement for achievements related to nontraditional careers.

The awards recognize students in nontraditional career/technical education occupations in which individuals from one gender comprise less than 25 percent of those employed in that field. Since 1994, Breaking Traditions has honored outstanding students who have chosen technical programs based on their interests and abilities, and who have not let their gender influence career decisions.

Aside from her career aspirations and education at Jefferson College, Christian is currently completing an internship at Dobbs Tire and Auto where she works alongside an experienced technician.

“Kayla is easily the most motivated nontraditional student I have ever taught,” said Automotive Technology Professor Gerard Uhls, who nominated her for the award. “She is a completely rounded technician who possesses the drive to succeed along with shop skills, soft skills, and a positive demeanor. In short, Kayla solves problems in a way that encourages others to see the process.”

Jefferson College Automotive Technology student Kayla Christian (center) is a recipient of the Missouri Breaking Traditions Award for her accomplishments as a nontraditional student. Presenting the award is Automotive Technology Professor Gerard Uhls (left) and Dean of Career and Technical Education Dr. Dena McCaffrey.

Jefferson College Students Acknowledged by American Welding Society

American Welding Society St. Louis Section Chairman Robert Lee (left) presents the 2019 Most Outstanding High School Welding Student award to Jason Loveless of the Jefferson College Area Technical School.

The American Welding Society St. Louis Section recently honored three students from the Welding Technology program at Jefferson College and the Area Technical School during the organization's annual awards presentation. The honors are given each year to acknowledge the region's top welding students with the selection of outstanding students from each program.

Jefferson College winners included Jason Loveless of Crystal City High School who won the Most Outstanding High School Welding Student award and the \$1,500 Hil Bax Scholarship. Lucas Carter of DeSoto won the Most Outstanding College Welding Student award. Zach Thurman of Crystal City received the \$1,500 Garner Kimball Scholarship. Mario Coffee of Festus High School won a \$595 scholarship.

Jefferson College is among 23 regional colleges and schools supported by the American Welding Society St. Louis Section as approximately \$13,500 was awarded in scholarships this year.

Upcoming PASS Events Provide Gateway to Fall Registration

To provide prospective students and their families an easy way to learn about programs, scholarships and admissions, Jefferson College is holding two Pre-Admission Student Session (PASS) events in July at both the Hillsboro and Arnold locations. There is no cost to attend.

Those who attend a Jefferson College PASS will be able to:

- Learn more about degree and certificate options available
- Find out how to get started this fall
- Learn how to apply for financial aid (loans, grants, scholarships)
- Take a campus tour
- Enter to win a prize

July 11 – Jefferson College Hillsboro - Student Center - Viking Room - 1-2 p.m.

July 23 - Jefferson College Arnold – Room 323 - 4-5 p.m.

To register online, go to www.jeffco.edu/pass and select the preferred date and time.

Fall classes begin on August 19. Among the available class formats and options are day, evening, hybrid (on site/online), 8-week, and Honors. A complete list of available degree programs and academic program offerings is located on the Jefferson College website at www.jeffco.edu/classschedule.

For more information about PASS or fall registration, prospective students should call Enrollment Services at (636) 481-3209.

In Our Community... At the Jefferson County Fair

If you're going to this year's Jefferson County Fair July 18-21 be sure to stop by the Jefferson College booth and say hello as a group of volunteers highlight some of the many ways the College supports our community.

The College's tent will feature examples of our community involvement, information about services and programs, a Victor the Viking photo cutout, and giveaways for all ages.

Hope to see you (and your family and friends) at the Jefferson County Fair. Visit www.jeffersoncountyfair.net for complete details.

Jefferson College Booth Open

Thursday, July 18 - 5 p.m.-7 p.m.

Friday, July 19 - 5 p.m.-7 p.m.

Saturday, July 20 - 2 p.m.-6 p.m.

Sunday, July 21 - 2 p.m.-5 p.m.

JEFFERSON COLLEGE POOL REMAINS CLOSED

Structural Safety Issues Identified

For the continued safety of all students, faculty/staff, and campus visitors, the indoor pool/Natatorium in the Field House will remain closed in connection with a series of safety issues including significant deterioration of the pool deck and structural support of the pool walls.

During this time, the pool will be drained as alternative uses for the space are considered.

ALL POOL-RELATED OFFERINGS ARE CANCELLED

Thanks for your understanding as the safety and well-being of everyone remains a priority at Jefferson College.

BOARD OF TRUSTEES

All monthly agenda items and supporting materials are posted online via the Board Docs site accessible through the Jefferson College website homepage at jeffco.edu clicking on “About” > “Leadership” > “Board of Trustees” links.
