Jefferson College and Saint Louis University Partner to Offer 2+SLU Transfer Option

A new agreement between Jefferson College and Saint Louis University will allow students who complete an associate's degree at Jefferson College the opportunity to earn a bachelor's degree at SLU in two years as a part of the 2+SLU program.

"Jefferson College and SLU have come together to ensure a flexible pathway for students," said Jefferson College President Dr. Dena McCaffrey. "This new articulation agreement is another way Jefferson College is reaching out to four-year colleges and universities to provide options for our students to complete a bachelor's degree so that they can achieve their career and personal goals." (use as a pull quote element)

For students who begin their postsecondary education at a community college, with plans to later transfer to a four-year university, programs like 2+SLU are a valuable option.

"I'm so pleased that we are able to collaborate with Jefferson College to empower students to take the next step in advancing their education," said Kathleen Davis, vice president of enrollment and retention management at SLU. "The 2+SLU program is a great opportunity for Jefferson College students to continue their education in SLU's top-ranked programs."

Designed to be flexible, students who earn an Associate of Arts degree at Jefferson College will have the chance to transfer to SLU to complete a Bachelor of Science degree in select degree programs.

Currently, 10 baccalaureate degree programs are available through the 2+SLU program, including:

Accounting

Analytics and Enterprise Systems

Economics

Entrepreneurship

Finance

Information Technology Management

International Business

Leadership and Human Resource Management

Marketing

Sports Business

Jefferson College associate-degree seeking students can opt-in to the program at any point and are guaranteed that the SLU requirements completed at Jefferson College will not change for the entirety of the students' academic career at SLU.

Participating students can take up to three years to complete the associate degree portion of a published program plan. For example, students following a 2020-2021 program plan will have until spring 2024 to transfer to SLU.

The agreement will go into effect with the fall 2020 semester, allowing Jefferson College students who have completed their associate degree to begin at SLU immediately.

For more information about the 2+SLU articulation agreement with Jefferson College, visit www.slu.edu/admission/transfer/credits/agreements.php or call Jefferson College Enrollment Services at (636) 481-3209 or (636) 797-3000, ext. 3209.

Child Development Center Achieves Seventh Consecutive State Accreditation

The Jefferson College Child Development Center was recently granted state accreditation for the seventh consecutive time by the Missouri Accreditation of Programs for Children and Youth.

The accreditation is effective for four years, through May of 2025, distinguishing Jefferson College as an exemplary program offering high quality programming. It is granted to programs that offer developmentally appropriate experiences in an environment conducive to children flourishing intellectually, emotionally, socially, and physically.

According to Center Director Stephanie Cage, accreditation is a process that provides quality standards for public and private programs serving infants through school age children. The standards promote healthy physical, cognitive, social and emotional development. It is a valuable “yardstick” whereby every aspect of a program can be evaluated and it is an assurance for parents that their child is in a program that consistently strives for excellence.

The Center, which is also state licensed, provides a comprehensive, high quality child development program for preschool and school age children, ages 2-12. The program is open to children of students, faculty, staff and the community. Exciting, challenging, meaningful, and fun activities are planned for children each day that help to build a strong foundation for a lifetime of learning.

The Center also serves as a laboratory setting for Area Technical School and College students enrolled in early childhood education coursework, or other curricula related to the care and education of young children.

For enrollment information at the Child Development Center, call (636) 481-3299 or (636) 481-3298.

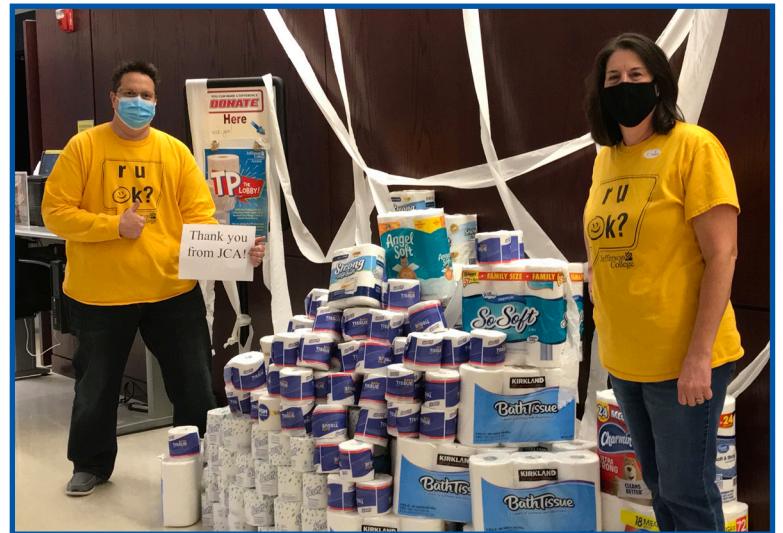

Toilet Paper Donation Benefits Vikings' Vault and Arnold Food Pantry During Heightened Need

Students and employees were recently challenged to “TP” the Jefferson College Arnold lobby by donating paper products in support of the College’s Vikings’ Vault food pantry and the Arnold Food Pantry. The volunteer project is especially relevant in light of the newly anticipated paper shortage in our region due to the COVID-19 pandemic.

From all the items collected, 300 rolls were donated to the Arnold Food Pantry, 200 were given to the Vikings’ Vault on the Hillsboro campus, and 46 rolls were designated for the mini Vikings’ Vault at JCA. In addition to supporting its own pantry for students, the College has previously donated items to assist several other food pantries in Jefferson County as a public service.

The Vikings’ Vault provides non-perishable food, frozen/refrigerated goods, and personal hygiene items free of charge to enrolled students who are in need at any of the College’s locations. Volunteers operate the pantry on a rotating basis each week. For questions about the Vikings’ Vault or donating items, contact John Linhorst at 636-481-3192 or jlinhors@jeffco.edu.

Marketing and Public Relations Department Wins Gold Medallion Awards of Excellence

For the eighth consecutive year, the Jefferson College Marketing and Public Relations Department has been recognized for its excellence by the National Council for Marketing and Public Relations (NCMPR). The department won four gold “Medallion of Excellence” Awards during the NCMPR District 5 virtual awards ceremony.

Led by Roger Barrentine, department personnel include Erin Bova, Sarah Lafser, Mike Meagher, Matt Keeney, and Lauren Murphy.

Book or Specialty Publication
Performing Arts and Cultural Enrichment (PACE) Series Booklet - Gold

Postcard
“High School Series” – Gold

E-Card
“2019 Holiday Greeting” – Gold

Computer-Generated Illustration
Victor’s Playlist for Finals - Gold

“These awards recognize superiority in all aspects of higher education marketing and make a profound statement about the creative capabilities of the Jefferson College team,” said Barrentine. “To bring home four first place awards is an honor that reaches beyond words.”

The regional Medallion Awards recognize outstanding achievement in communication at community and technical colleges in District 5 (Iowa, Kansas, Minnesota, Missouri, Nebraska, North Dakota, South Dakota, the Canadian province of Manitoba, Puerto Rico, and Virgin Islands). It is the only competition of its kind that honors excellence among marketing and public relations professionals exclusively at two-year colleges.
