

First Year Experience Requirement

All first-time students are required to complete a First Year Experience course as part of their certificate or degree program: COL100, COL101 or COL136

Requirement must be completed within the first two terms of enrollment, once a student reaches 9 credit hours.

Transfer students may be exempt if they have either:

- Completed an equivalent course
or
- Earned minimum 15 credit hours with a 2.0 gpa (including developmental courses)

(ATS and Dual Credit hours do not count toward the 15 hours.)

*Students transferring from a non-regionally accredited school may be exempt from the FYE requirement on a case-by-case basis.
