

## American Rescue Plan Grant Application

Jefferson College received American Rescue Plan (ARP) funds for emergency student financial aid grants. ARP grants are available to support 2021-2022 Jefferson College students struggling to cover any component of their cost of attending college or for emergency expenses that have arisen due to the coronavirus.

All degree and certificate-seeking students, as well as non-degree, non-credit, dual enrollment, and continuing education students participating in fall 2021 courses may apply. However, Higher Education Emergency Relief Fund (HEERF) rules stipulate that students with exceptional need, often documented through completion of a Free Application for Federal Student Aid (FAFSA), receive priority awarding.

For emergency financial aid grant consideration, complete this form identifying which educational expenses you are struggling to cover. If none apply, please select none of the above.

Your answer

The pandemic has resulted in lost income in my household. Check all that apply. (Supporting documentation may be requested at a later time.) \*

- I have lost my job, am furloughed, or had my hours or pay reduced.
- My spouse lost their job, is furloughed, or had their hours or pay reduced.
- My parent (IF a dependent student) lost their job, is furloughed, or had their hours or pay reduced.
- NONE of the Above

As a result of the pandemic, I am struggling to cover the following expenses. Check all that apply. \*

- Tuition and fees
- Books and supplies
- Computer or internet access
- Food and personal care items
- Housing
- Health care and mental health care
- Child care
- Transportation

NONE of the Above

I certify for the U.S. Department of Education that my responses concerning my hardships and expenses during the pandemic are true. \*

Yes

Send me a copy of my responses.
